To our highly esteemed sister club LLK,

The members of the HLSK wish you congratulations on the celebration of your 40th anniversary. A milestone of 40 years of skating fun!

The HLSK wants to thank the LLK for all the support it has received over the past years. We experienced it as a warm welcome. Without your help we would not have been able to enjoy skating in the same beautiful Swedish way.

On the previous anniversary we invited you to come and skate in the Netherlands. Unfortunately, that hasn't happened yet due to lack of ice and Corona, but the invitation remains! We are happy that LLK visited Holland back in 2008/2009 to skate together with HLSK, so we are confident that it will work again in the future.

We wish you a wonderful evening to celebrate your 40th anniversary and we wish you many years of enjoyable skating to come.

On behalf of HLSK,

Gert-Jan Vroege
Chairman Stichting HLSK
